The POWERplus® Verio
DYNAMO MP3 PLAYER
1 GB MEMORY

Enjoy the freedom of mobile music everywhere you go!

POWERplus® introduces the Verio, a dynamo and rechargeable MP3 player with integrated flashlight and mobile phone charger.

No more dead batteries while playing your favorite songs; just wind up the Verio for 1 minute to listen to your songs for 15-20 minutes. Also included is a USB and mains charger for when electricity is available.

The Verio comes with 1 GB internal memory to ensure that you always have a huge music library available on this compact and rugged MP3 player.
